Copthorne, Shropshire	2005 – 2008	-Stock replenishment, stock taking -Till operator

LEISURE INTERESTS

As an active kite flier I own a variety of different types including traction, two line power kites and more traditional stunt kites.

During my time at Aberystwyth I frequent various rugby fields as well as Borth beach to fly and socialise with other fliers.

I have also participated in events such as the Shrewsbury Kite Festival and other sponsored events. These events often involve offering advise and giving demonstrations to people interested in starting.

I also enjoy table tennis.

ADDITIONAL INFORMATION

Full, clean driving licence.

Certified touch typist.
